

# HEALTH AND SAFETY POLICY

**Ascenty**  
A Digital Realty and Brookfield Infrastructure JV

Focused on the well-being of all those involved in its processes and operation, Ascenty is committed to occupational health and safety, respecting the applicable laws and other stakeholder requirements, providing safe and healthy conditions and environments.

It supports and involves workers and safety committees in the consultation and participation in issues related to the management system and workplace improvements.

It provides tools and solutions to reduce or eliminate hazards and risks, raising awareness to meet the objectives and targets and seeking continuous improvement.
